

CLEANING SPECIALITIES

GUIDE FORMULATIONS

ZSCHIMMER & SCHWARZ

PURE PROGRESS

Cleaning Specialities

For brilliant results: tailor-made chemical solutions by Zschimmer & Schwarz offer the pure and cleaning power of innovation. Whether for household use, in the car, in hospitals or in large-scale industry: our surfactants, polymers and phosphonates, combined with additional formulation services, shorten development times for our customers. Our products make life cleaner for people all over the world. Environmentally friendly, efficient, compatible even with sensitive surfaces: this is cleaning at its best.

On the following page we present to you a small selection of our wide range of guide formulations. You cannot find the formulation you are looking for? Please contact us!

HOME CARE

INDUSTRIAL AND INSTITUTIONAL

CAR CARE

NO.	NAME	HOME CARE	INDUSTRIAL AND INSITUTIONAL	CAR CARE
CT 02-04-09	All-purpose cleaner	▲
